Focusing on the chemistry and psychology of colour and colour correction the Wella Master Colour Expert accreditation is the ultimate technical colour qualification and has been created to acknowledge the industry's most eminent, talented and highly skilled colourists. Participation is strictly by invitation following the completion of two initial courses - the Wella Master Colour Award and Wella Master Colour Award The Next Step-which demonstrates its exclusivity and the calibre of technical expertise of the participants.

"Marie is an inspirational hairdresser and colour expert," says Nigel Meridith, Wella National Technical Manager. "She has demonstrated her passion for achieving the highest standards of colour knowledge and expertise. Wella is delighted to acknowledge Marie as one of our prominent Wella Master Colour Experts".

Marie now joins a prestigious portfolio of elite Wella Master Colour Experts including Honorary MCE's from Toni&Guy International Technical Director, Jo O'Neil; Vidal Sassoon

International Colour Director, Annie Humphreys; and renowned colour guru, Daniel Galvin. Experts, contact: Marie Hall Hairdressing based at West Bridgford Nottingham. Tel: 0115 9821061
